## Shaving heads

V-Track Precision blades Fits S9000 (S9xxx), Fits Star Wars Shaver SW97xx, Fits Star Wars Shaver SW67xx

SH90/50

# Highlights

### Compatible with Series 9000

SH90 replacement heads are compatible with Series 9000 Shaver (S9xxx), 8000 (S8xxx), Star Wars shaver SW9700 and SW6700.

### V-Track Precision Blades

The patented V-Track Precision Blades gently position each hair at the best cutting angle — even hairs that are flat or different lengths. This allows you to cut 30% closer in fewer strokes, leaving your skin in great condition.

### Super Lift & Cut Action

Shave closer with the dual-blade Super Lift and Cut action. The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

### Replacement reminder

The latest Philips shavers have an inbuilt replacement reminder in the form of a shaving unit symbol. This symbol will light up and indicate when to replace the shaving heads.

### Simple replacement

1. Pull off the shaving head holder. 2. Replace the shaving heads with new ones. 3. Reattach the shaving head holder. 4. To reset the shaver, press and hold the on/off button for more than 5 seconds.

### How to reset your shaver

After replacing the shaving heads, you can reset the replacement reminder by pressing the on/off button for more than 7 seconds.

Otherwise, the replacement trigger will turn off automatically after 9 successive shaves.

### Reset your shaver to new

To get back to 100% performance, replace your shaving heads every 2 years.
