PHILIPS

Features

Full body grooming

Designed to be safe and comfortable for underarms, chest and abs, shoulders, groin area and legs. The skin-friendly shaver catches and cuts hairs of different lengths, without the need for multiple tools or skin contact with sharp edges.

Skin-friendly shaver

The shaver head features patented rounded tips and a hypo-allergenic foil to protect your skin while shaving. The bi-directional trimmers cut longer hairs, which are shaved by the foil for a closer result.

Bi-directional body comb

1 comb included for a natural 3 mm trim. Attach the comb onto the shaving system, to trim hair to a fixed length of 3 mm. You can use the shaving system without the comb for a closer result. For thicker hair, pre-trimming with the comb is recommended.

Rechargeable battery power

High-power rechargeable battery for full body use, with 50 minutes of cordless use after an 8 hour charge. The battery light indicates power status, when the battery is low or full.

100% Showerproof

Provides a comfortable and close result in or out of the shower. The body groomer is fully water-resistant, so you can simply rinse it clean when you've finished. For longer hair, trimming performance may be better on dry hair.

Ergonomic grip

The rubber grip is designed to ensure optimal handling even when wet, for better control during use, in or out of the shower.

Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility, and they never need to be oiled.
