Highlights

Anti-allergy filtration

Thanks to excellent filtration in the material of the dust bag, even the finest particles are captured, contributing to a better cleaning result and clean air quality in your home.

30 days hassle-free

Use these dust bags in the Auto-Empty station of your Philips HomeRun Vacuum and Mop Robot 7000 Series Aqua (model XU7100). The 3 litre dust bag can hold up to 30 days' worth of dust, hairs and other dirt, to enjoy 30 days of no hassle of emptying the dust bin.

Hygienic closing system

The closing system of the dust bag allows for easy and clean disposal, without a cloud of dust.
