Extra convenient to use

- Automatic shut-off when iron is left unattended
- 1.8 L detachable water tank for easy refilling
- Lightweight and compact for easy use and storage
- Safe-carry lock for safe and easy transport

PHILIPS

Highlights

OptimalTEMP

With OptimalTEMP technology you achieve great results with one ideal temperature setting. We guarantee that this iron will never cause burns to any ironable fabric when it is left unattended. You can safely leave it resting on your clothes or ironing board.

SteamGlide Advanced soleplate

Our superior SteamGlide Advanced soleplate delivers smooth gliding performance on any fabric. Its stainless steel base is twice as hard as aluminium, and our patented 6-layer coating with its advanced titanium layer effortlessly glides on any fabric for the fastest results.

Powerful steam

Strong, continuous steam for effective crease removal of even the most stubborn creases on the thickest fabrics.

Easy descaling

It's easy to maintain your steam generator with Smart Calc Clean, our built-in descaling system. It will remind you when it's time to descale and includes a container to make descaling easy and safe. Since it is reusable you will save money and never need to buy extra cartridges.

Auto-shut off

Auto-shut off to save energy and for peace of mind

1.8 l detachable water tank

The 1.8-litre transparent water tank gives you up to 1.5 hours of continuous use. When the water tank is empty, you will be reminded by the indicator light to refill at any time, which you can easily do under the tap through the large filling door.

Compact and convenient

Thanks to its compact size it's light and easy to handle as you iron your clothes. It even fits on your ironing board. But don't think smaller means less powerful. Thanks to our exclusive ProVelocity technology, we've made powerful steam generators that are lightweight and more compact than ever.

Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

Specifications

Calc management

- Calc clean solution: Smart Calc Clean
- Suitable for tap water
- Calc clean reminder: Sound & light indicator

Accessories

- Calc Clean container

Weight and dimensions

- Weight of iron: 1.2 kg
- Product dimensions (W x H x D): 16.8 x 26.9 x 36.8 cm
- Packaging dimensions (W x H x D): 22.7 x 34.2 x 43.0 cm
- Weight of iron + base: 3.4 kg

General specifications

- Hose storage: Compartment
- Power cord storage: Velcro fix
- Safety carry Lock
- Auto shut-off

Easy to use

- Water tank capacity: 1800 ml
- Refill any time
- Heat-up time: 2 min
- Safe on all ironable fabrics
- Safe for all fabrics
- Soleplate gliding performance: 5 stars
- Safety auto off
- Soleplate name: SteamGlide Advanced
