Highlights

choose from 64 colours

Select your own favourite colour out of the 64 different colour options.

automatic colour changing mode

Just push the on/off button for 5 seconds and let the Philips LivingColors Micro LED lamp do all the work, showing you the whole range of colours.

light output 50 lumen

With the LivingColors Micro, which has a light output of 50 lumen, you can have a good impact on ambience with a smaller, easy-to-place product. Just place the LivingColors Micro wherever you like and point it towards a light-coloured wall to get the full experience.

on-product control

By touching and swiping the colour strip on the product, you can very easily select every colour you like.

nice diffused light effect

All the different colours of the Philips LivingColors LED lamp blend naturally into your interior because of the diffused light effect.
