

HNF90I (Puma)

A versatile floodlight suitable for small to medium scale floodlighting for sports or similar areas. It offers good colour rendering with HPI-T metal halide lamps, or economical operation with SON-T high pressure sodium lamps. Robust and simple construction designed for easy aiming, quick maintenance and long service life.

Features and Benefits

- Robust and simple construction designed for easy aiming, quick maintenance and long service life.
- Suitable for multiple applications including industrial areas and sports facilities.
